

DISABILITY RESOURCE CENTER

ACCOMMODATION ELIGIBILITY:

Any current student who self-identifies with UT through the Disability Resource Center (DRC) as a student with a documented disability (physical or mental) and provides appropriate documentation of their disability is determined eligible for accommodations.

AVAILABLE ACCOMMODATIONS:

Exam accommodations (extended testing time, distraction-reduced testing environment, alternate testing formats, testing aids such as readers and scribes), ASL interpreters, notetaking assistance, alternative text (audiobooks), screen readers, priority registration, excused from group/class participation without penalty, etc.

**Reasonable accommodations are approved on a case-by-case basis & based on the documentation provided. Note that accommodations are not retroactive and cannot alter essential course elements.*

APPLICATION PROCESS

1. Submit an application with appropriate documentation at <https://drcenter.utahtech.edu/eligibility-for-services/>. Physical applications are available in the DRC.
2. The student will be contacted to provide additional documentation (if necessary) or to schedule a meeting with the Director or Coordinator to discuss accommodation options and the implementation process.
